

POSITION DESCRIPTION

POSITION TITLE	Elementary Literacy Tutor
REPORTS TO	Program Coordinator/Manager and Internal Coach
SERVICE LOCATIONS	Positions available in the Denver Metro area and in Northern Colorado

ORGANIZATION OVERVIEW

Colorado Youth for a Change (CYC) is an educational nonprofit organization with a statewide scope. CYC's mission is to solve Colorado's dropout crisis. CYC provides a continuum of services from Kindergarten through High School to help students find success through tutoring, case management, and outreach to help in-school youth remain in school or out-of-school youth return to school. Reading Corps is the first step along that continuum to support students.

PROGRAM OVERVIEW

Colorado Reading Corps is an AmeriCorps program with the mission of ensuring that all students in Colorado are reading proficiently by the end of third grade. Colorado Reading Corps is replicated from the successful Minnesota Reading Corps.

Nationally, the Reading Corps program is a breakthrough AmeriCorps program that is changing academic outcomes for thousands of students. With more than 1,900 tutors serving in 12 states and Washington D.C., Reading Corps is helping more than 40,000 students each year become successful readers. It combines the power of national service with literacy science to deliver proven approaches that help struggling learners transform into confident students – something that translates into all areas of their lives.

Because Reading Corps tutors are in the schools full-time, they are providing consistent, daily tutoring, which is the reason why this model has a greater impact on student success. Tutors commit to a term of service, and receive rigorous training plus ongoing expert literacy coaching throughout the year. With the use of rich data assessments, they ensure their efforts produce the desired results – helping children achieve grade-level reading proficiency.
