REPORTS TO: Senior Manager of AmeriCorps Programs

FLSA Status: Exempt

Organization and Program Overview: Colorado Youth for a Change (CYC) is an educational nonprofit organization that has made significant strides in reducing the dropout rate in Colorado since its inception in 2005, using collaboration with school districts and community agencies to achieve its mission. From serving 55 students in 2005 to 2,700 in 2020, CYC is at the forefront of statewide efforts to improve educational outcomes for all students, ensuring that they graduate from high school. CYC began by providing reengagement services to out-of-school youth and has evolved to also provide in-school dropout prevention services (Corps for a Change and Reading Corps) to PreK through high school aged students. CYC started Corps for a Change (C4C) in 2015 as a way to increase preventative programming and support high school student engagement. Corps for a Change is an AmeriCorps program that has 75 members serving across the state focusing on increasing student engagement and reducing chronic absenteeism. Our team is growing!
