

# Engagement Opportunities

## Incentive Stations

Help out AmeriCorps members by assembling supply kits to help them serve students across Colorado.

---

## Professional Development

Lead a virtual professional development session for our AmeriCorps members on any topic you have expertise on.

---

## Lunch and Learn

Host CYC for a virtual or in-person Lunch and Learn to connect your team and learn more about early literacy and development, chronic absenteeism and its impact on learning, or reengaging youth in education.

---

## Career Exploration Day

Host CYC students at your organization and teach them about careers available in your organization and industry.

---

## Supply Drives

Gather books, math games, and more to keep students engaged with their learning. Can be done at the start or end of school semesters.
