ABOUT COLORADO YOUTH FOR A CHANGE

Colorado Youth for a Change addresses barriers to learning by providing individualized supports throughout pivotal stages of students' education journeys. Together with 24 Colorado school districts, we support students from PreK through high school to maximize their learning. For some young people, this means finding a new school fit alongside a CYC advocate. For others, this means boosting math or reading skills through the support of a tutor.

Our students are building confidence, skills, and a sense of belonging.

Why Support CYC?

When you sponsor Colorado Youth for a Change, not only do you support over **6,000** Colorado students each year, but you also receive an impressive return on investment. CYC earns an average monthly social media reach of over **7,800** and an industry-leading average email open rate of **55.4%**.
