POSITION DESCRIPTION

POSITION TITLE	K-3 Elementary Literacy Tutor
REPORTS	Program Manager, Coaching Specialists
SERVICE LOCATIONS	Positions available across the state

ORGANIZATION SUMMARY

Colorado Youth for a Change (CYC) is an educational nonprofit organization with a statewide scope. CYC addresses barriers to learning by providing individualized supports throughout pivotal stages of students' education journeys. We provide a continuum of services from Prekindergarten through high school to help students find success through tutoring, case management, and outreach to help in-school youth remain in school or out-of-school youth return to school. We envision an equitable education system where each student has access to the resources they need to maximize their own learning and growth. CYC's organizational values are growth, integrity, community, and systemic transformation.

PROGRAM OVERVIEW

CYC began implementing Reading Corps in Colorado in 2017 to provide reading supports for kindergarten – 3rd grade students. Colorado Reading Corps is an AmeriCorps program with the mission of ensuring that all students in Colorado are reading proficiently by the end of third grade. The Reading Corps program combines the power of national service with literacy science to deliver proven approaches that help struggling learners transform into confident students – something that translates into all areas of their lives.

Because Reading Corps tutors are in schools full-time, they are providing consistent, daily tutoring, which is why this model has a greater impact on student success. Tutors commit to a term of service and receive rigorous training plus ongoing expert literacy coaching throughout the year. With the use of rich data assessments, they ensure their efforts produce the desired results – helping children achieve grade-level reading proficiency.

POSITION SUMMARY

This is an AmeriCorps service member position within an AmeriCorps program, Colorado Reading Corps. The K-3 Elementary Literacy Tutor is placed at one elementary school to provide supplemental practice to children in kindergarten through third grade to develop their reading skills.
